## 35<sup>TH</sup> Anniversary

Collectors' Trading-Card Set

### **BLADE CUTTING-EDGE FASHION**

Puppeteer Andre Toulon dressed Blade in a black trench coat and fedora to mimic the attire of the dread Gestapo Major Kraus, and a skull face to represent death.

Collectors' Trading-Card Set

### **KAHN**

Blink and you'll miss him. But he misses nothing. He is Andre Toulon's lookout at the Bodega Bay Inn, and he warns the Puppet Master of two arriving Nazis there to steal his secrets.

## HOMUNCULUS

A flashback to 1912 Cairo in *Puppet Master II* (1990) shows a mysterious mystic, who demonstrates a living homunculus puppet to Andre Toulon and his wife Elsa – an inkling of what is to come.

Collectors' Trading-Card Set

### TUNNELER

He has a good head for killing. His body topped with a cone-shaped power drill, Tunneler carries the soul of Andre Toulon's friend who died doing forced labor by World War II Nazis.

### TORCH

Perhaps the most vicious of the puppets, the inhuman Torch was created by the resurrected Andre Toulon. And he turned on Toulon when the puppets saw the master had gone mad.

### DECAPITRON

When the resurrected Toulon died again, he returned as a spirit. And it is his very own soul that imbues Decapitron, whose changeable head is a panoply of weapons.

### JESTER

You'll die laughing. Jester has no weapons, but he's dangerous nonetheless. Like any good jester, he distracts you – so the other living puppets can dispatch you.
